500E Series™ Petrol Lawn Mower Engine | Briggs & Stratton

Briggs and Stratton is no different from other manufacturers in this regard: they offer a palette of mowers that can cover a wide variety of users. The Briggs and Stratton 500E Series 140CC is very much a novice mower, but that doesn't mean it's bad. Still, if you've got a nasty infestation of weeds, this engine probably won't cut it.

Introducing The Briggs and Stratton 500E Engine | Gardenlines

This series of engines are vertical crankshaft over head valve engines also known as OHV engines. This type of engine is normally fitted to walk behind equipment. These have a sponge or paper air cleaner, a plastic petrol tank and a plastic carburettor. This series has two methods of cold starting 1, is a primer located in the air filter cover or beside the air filter. 2, is the ReadyStart ...
