Rule #1: Never get involved with someone who won't be there for you when the sun comes up. Once bitten, twice shy, and sexy PI Jackie Morrisey wasn't going there again. Vincent Argeneau may be the hottest guy she's ever met, living or dead, but she's here to stop a killer from turning this vampire into dust, not to jump into bed with him. Rule #2: Never kiss a vampire . . . it can be a pain in the neck. Okay, so Vincent's had four hundred years to perfect his kissing skills, and he does look rather tempting when he runs around the house shirtless. He's also charming, protective . . . did we mention he can kiss? Jackie needs to be on her guard, or else she'll have to come up with a new rule: If you're going to fall in love with a vampire, make sure it's a bite to remember.

That hot guy tied to Lissianna Argeneau's bed? He's not dessert—he's the main course! Lissianna has been spending her centuries pining for Mr. Right, not just a quick snack, and this sexy guy she finds in her bed looks like he might be a candidate. But there's another, more pressing issue: her tendency to faint at the sight of blood...an especially annoying quirk for a vampire. Of course it doesn't hurt that this man has a delicious-looking neck. What kind of cold-blooded vampire woman could resist a bite of that? Dr. Gregory Hewitt recovers from the shock of waking up in a stranger's bedroom pretty quickly—once he sees a gorgeous woman about to treat him to a wild night of passion. But is it possible for the good doctor to find true love with a vampire vixen, or will he be just a good meal? That's a question Dr. Greg might be willing to sink his teeth into...if he can just get Lissianna to bite.

Inez Urso is beginning to have her doubts. Her business associate Thomas Argeneau has some interesting traits, like an allergic reaction

to the sun, excellent night vision, and not much of an appetite for food. And to top it all off, he just tried to bite her neck . . . but maybe that was a sign of passion. If so, she'd be happy to experience more, despite her determination not to mix business with pleasure. Well, if not forever, at least two hundred years. Inez is the most beautiful woman he's seen in centuries. Those luscious lips, seductive curves, and her elegant neck . . . he just couldn't resist the temptation of one little bite. Now Thomas will do anything to convince her that only an immortal like him can satisfy her all night long . . .

Once Bitten . . . One minute Leigh is walking home in the early hours of the morning, and the next a vampire is sinking his teeth into her neck. Turns out it was a rogue vampire marked for termination, but it does Leigh little good because the damage's already been done. She's become one of them. Lucian Argeneau, hunter of rogue vampires, has been alive for over two thousand years, and there's very little to excite him anymore. Food has become tasteless, sex is ordinary. Then Leigh drops into his life. Suddenly he finds himself craving coffee . . . and imagining the sassy brunette atop the black satin sheets on his nice big bed. It's Lucian's job now to enlighten Leigh on the inner workings of being immortal . . . and tutoring her is igniting a fire in him that hasn't burned in centuries. But until they stop a renegade bloodsucker from destroying the human race, passion will have to wait!

“Take a bite into fresh, fun vampire comedy...read Lynsay Sands.” –Carly Phillips Nobody does vampire romance quite like Lynsay Sands! Tall, Dark & Hungry is the fourth book in her insanely popular Argeneau vampire series—and she brilliantly blends laughter with steamy passion in this story about a British lass who falls hard for a tasty immortal in-law she meets when she crosses the ocean to attend a cousin's New York wedding. Paranormal romance is hot, hot, hot! And Lynsay Sands is not only one of the pioneer authors of this subgenre...she's one of the very best!

FATE GAVE HER FANGS ... Ever since an accident turned her into a knockout vamp, Elvi Black's been catching her z's in a coffin, staying out of the sun, and giving up garlic. She knows there's more to being undead than what she saw in Dracula, but she can't very well ask her mortal friends about proper biting etiquette. But when her neighbors placed a personal ad for her in the local paper, she never imagined she'd meet Victor Argeneau, a vampire who could have his pick of women – dead or alive. HE'LL SHOW HER HOW TO USE THEM ... Rich, powerful, and drop-dead gorgeous, Victor's the perfect man for a novice neck-biter like Elvi. He's willing to teach her everything he knows, but he'll have to do it fast. Someone's out to put a stake through her new vamp life, and only Victor can keep her safe – and satisfied – for all eternity.

"Sands writes books that keep readers coming back for more." Katie MacAlister, author of *A Girl's Guide to Vampires* In the world of the sexy and seductive Argeneau family of vampires, true love is good from the first bite to the last. *Love Bites* is a classic from New York Times and USA Today bestselling author Lynsay Sands, the second volume in her much beloved Argeneau series—the story of an achingly hot three hundred year-old bachelor immortal and the beautiful coroner he chooses as his lifemate. Paranormal romance just doesn't get any tastier than this!

Samantha Willan is a workaholic lawyer. She's grateful for some rest and relaxation in cottage country, and after a recent breakup she wants to stay as far away from romance as possible. Then she meets her irresistible new neighbor. There's something strange and mysterious about his eyes. Is it just her imagination, or are they locked on her neck? Garrett Mortimer is a rogue hunter. His last assignment united Lucian Argeneau with his lifemate, and Mortimer is hoping this one will be less . . . adventurous. He's here to track down a reported rogue, but fun in the sun is every bloodsucker's nightmare. Worse, he can't seem to get his mind off Samantha, especially when he spies her skinny-dipping in the lake. After eight hundred years as a bachelor, is he ready to turn a volatile attraction into a lasting love affair?

Thrilling, witty, and oh-so-sexy, Lynsay Sands' Argeneau novel brings together a beautiful Immortal and the man who is her destiny... For someone who's been around for over a hundred and forty years, immortal Elspeth Argeneau hasn't done a whole lot of living. Now that she's moved away from her controlling mother, she's tracking down rogue vampires and enjoying some overdue freedom. A fling would be fun. A life mate can wait. Yet to Elspeth's surprise, her landlady's hot grandson checks both boxes. Wyatt fell instantly in love with Elspeth four years ago. He's stunned to run into her again, especially as she has no memory of him. Then again, there are a lot of things about Elspeth that don't make sense, like the miraculous speed with which her wounds heal. And the chemistry that transforms every touch into an explosion of desire. But with mysterious "accidents" besieging Elspeth, the ex-Special Forces soldier appoints himself her bodyguard. But time is running out to uncover the truth about her enemies—and rediscover the man determined to love her for eternity.
