Schneier on Security: : Data and Goliath

Data and Goliath is an eye-opening read. I mean, I understand how I'm under constant surveillance due to things like my smartphone or cookies or Facebook, and I understand that the government gets access to a lot of this information via the Snowden leaks, but I

And it's largely hidden from view. This is ubiquitous mass surveillance. It's easy to focus on how data is collected by corporations and governments, but that gives a distorted picture. The real story is how the different streams of data are processed, correlated, and analyzed. And it's not just one person's data; it's everyone's data.
