Apothecary Fabius Bile of the Emperor's Children Legion during the Great Crusade. Fabius Bile was born to a minor noble house from the mountains of northern Europa on Terra during the Unification Wars era of the 38th Millennium. His birthplace was the city of Ingolstadt, but Fabius remembered little of his childhood following his later transformation into an Astartes save for the sound of music and a library with real, leather-bound books.

Fabius Bile Primogenitor Warhammer 40000

Exiled into the depths of the Eye of Terror, former Emperor's Children Apothecary Fabius Bile is drawn back to the Imperium in search of a secret that could be the key to saving his misbegotten life. He is known by many names - Clonelord, Manflayer, Primogenitor. He is the epitome of deceit and perversion, and feared by man and monster alike. Once the Chief Apothecary of the Emperor's Children, the madman known as Fabius Bile possesses a knowledge of genetic manipulation second to none. Now a renegade among renegades, he is loathed by those he once called brother, and even the most degraded of Chaos Space Marines fear his name. Exiled for his dark experiments, Bile has retreated deep into the Eye of Terror, leaving a trail of twisted abominations in his wake. But when a former student brings word of the ultimate prize for the taking, Bile is unable to resist being drawn once more into the cauldron of war. For in seizing this prize, Fabius Bile might yet discover the one secret his has been unable to unlock... the secret which will prevent his inevitable doom.

The Fabius Bile trilogy comes to a close in this action packed novel. In the centuries since his return from Commorragh, Fabius Bile has distanced himself from the affairs of friend and foe, content only to oversee the cruel evolution of his New Men. But when his creations are threatened by the monstrous haemonculi of the Thirteen Scars, the Manflayer is forced to seek out new allies and old enemies alike in an effort to preserve all that he has built. Homo Novus must survive... even if Fabius Bile must die to ensure it.

Drawn back into the deadly machinations of his former Legion, Fabius Bile finds his destiny lies on the galaxy's Eastern Fringe, on a forgotten world called Solemnace. Once a loyal son of the Emperor's Children, Fabius Bile now loathes those he once called brother. But when a former comrade requests his aid on a mission he cannot refuse, Bile is drawn once more into the sinister machinations of his former Legion. Now, accompanied by new allies and old enemies alike, Fabius Bile must travel deep into the wilds of the Eastern Fringe of the galaxy, in search of a world unlike any other. A world which might hold the key to his very survival. A world called Solemnace...

Lucius the Eternal, the finest swordsman in the Emperor's Children and champion of the primarch Fulgrim, faces his greatest enemy... himself. He is Fulgrim's champion, the Soulthief and the Scion of Chemos, a peerless blademaster whom even death cannot threaten. His name is whispered and cursed across both time and space. He is Lucius the Eternal, blessed by Slaanesh and the greatest swordsman of all the fell Legions imprisoned within the Eye of Terror. With his armies exhausted by unending war and consumed by their own twisted iniquities, Lucius turns to an erstwhile brother of the Emperor's Children to rebuild his strength. Faced with betrayal from without and even from within his own flesh, will Lucius discover something that even one who cannot know death should fear?

Rebellious young Space Wolf Lukas the Trickster finds himself facing a foe who might rival even his legendary cunning – the dark eldar corsair, Duke Sliscus. Among the Space Wolves there are as many sagas as there are warriors, but there are none quite like that of Lukas the Trickster. Vainglorious, boastful and irreverent, the Jackal Wolf has ever stood apart from his battle-brothers, passed from pack to pack by embittered Wolf Lords, renowned and reviled in equal measure. But as a new enemy invades the icy reaches of Fenris at the height of the Helwinter, Lukas finds himself facing a foe who might rival even his legendary cunning – the dark eldar corsair, Duke Sliscus. In the battle between wolf and serpent, who will emerge triumphant, and who will stain the snow red?

Abaddon returns from exile and raises the dreaded Black Legion. The Sons of Horus may be no more, but rising from their ashes come the Black Legion. Returning after his long self-imposed exile, Abaddon offers the disparate Chaos Space Marine warbands within the Eye of Terror a simple choice – join him or die. As his newborn war host emerges from the Eye of Terror to ravage the galaxy, none can stand in Abaddon's path, not even the Black Templars Chapter - sworn to stand guard at the storm's edge - nor the Emperor's Champion himself.

"The hunters have become the hunted. The Night Lords flee to the dark fringes of the Imperioum to escape their relentless puruers--the eldar of Craftworld Ulthwe. Their flight takes them to the carrion world of Tsaqualsa, where their primarch died and their Legion was broken. There, history will repeat itself as a deadly assassin stalks the shadows, and the Night Lords are drawn into a battle they are destined to lose"--P. [4] of cover.

The galaxy has changed. Armies of Chaos march across the Dark Imperium, among them the Death Guard, servants of the Plague God. But shadows of the past haunt these traitors... The Death Guard have returned to prominence with the return of Mortarion and their fabulous model range, and Chris Wraight's previous work with them (in his Space Wolves novels, notably) makes him the perfect person to delve into their particular darkness. The Cadian Gate is broken, and the Imperium is riven in two. The might of the Traitor Legions, kept shackled for millennia behind walls of iron and sorcery, has been unleashed on a darkening galaxy. Among those seeking vengeance on the Corpse Emperor's faltering realm are the Death Guard, once proud crusaders of the Legiones Astartes, now debased creatures of terror and contagion. Mighty warbands carve bloody paths through the void, answering their lord primarch's call to war. And yet for all their dread might in arms, there is no escape from the vicious legacies of the past, ones that will pursue them from the ruined daemon-worlds of the Eye of Terror and out into the smouldering wastes of the Imperium Nihilus.

Forces from several Space Marine Chapters mobilise to defend the cardinal world of Almace from an invasion by the twisted traitors of the Word Bearers. But unbeknownst to the forces of the Imperium, conquest is not the enemy's sole aim... Book 5 in the Space Marine Conquest Series Lieutenant Heyd Calder is a Primaris Marine whose mastery of warfare is matched only by his diplomatic prowess. Under the orders of Roboute Gulliman, he is deployed to Almace, a minor seat of the Ecclesiarchy, to protect the world at whatever cost. Yet even as diabolical forces leer from the system's edge, Calder discovers that the capital's Cardinal-Governor, a sharp, inscrutable figure of spiritual and material authority, is hiding something. When it becomes clear that conquest is not the enemy's sole aim, Calder resolves to uncover the secret of Almace. As the system is set ablaze, clashes of faith, strategy and politics ensue in the capital, and it becomes clear that the forces of the Ecclesiarchy and the Adeptus Astartes must fight together if they are to have any hope of victory.

The rise of Abaddon, successor to Horus and Warmaster of the Black Legion. When Horus fell, his Sons fell with him. A broken Legion, beset by rivalries and hunted by their erstwhile allies, the former Luna Wolves have scattered across the tortured realm of the Eye of Terror. And of Abaddon, greatest of the Warmaster's followers, nothing has been heard for many years. But when Horus's body is taken from its resting place, a confederation of legionaries seek out the former First Captain, to convince him to embrace his destiny and continue what Horus began.
