The world of work has changed. People in previous generations tended to pick one professional path and stick to it. Switching companies every few years wasn ' t the norm, and changing careers was even rarer. Today ' s career trajectories aren ' t so scripted and linear. Technology has given rise to new positions that never before existed, which means we are choosing from a much broader set of career options—and have even more opportunities to find work that lights us up. However, we don ' t discover and apply for jobs the same way anymore, and employers don ' t find applicants the way they used to. Isn ' t it about time we had a playbook for navigating it all? Kathryn Minshew and Alexandra

REVIEWER'S COMMENT It was a dream come true for me when I got placed in CISCO SYSTEMS with a package of 10.7 lakhs. I am immensely thankful to Ela Kashyap for writing such an amazing book. It has all the requisite information required to crack any interview, as it succinctly covers all the important topics one needs to know for IT interviews. The book has helped me to crack five rounds of interview. So, I would like to recommend this book to all the engineering students.

Latest advancements, attractive remuneration packages, and liberal work-stations are some of the features which are captivating students towards the ever-booming IT sector. Because of its popularity and demand, the competition to get into the sector has become equally tougher for the students (new entrants). Keeping this aspect in view, the book is designed as a perfect guide for the students who want to get into the field of IT. Serving a self-help book for the graduates and students appearing for their placement tests and interviews in the final year, this book helps the students to brush-up the basic concepts of computer science and IT. It also focuses on grooming skills (like what to do and what not to do on the Interview day), writing resume, and how to answer HR questions. Testimonials by the industry experts are incorporated to get students acquainted with the company processes and work culture. **Key features**

- Contains over 1200 MCQs for practice.
- Questions are taken from the interviews/tests conducted by top IT companies of India and abroad like CSC, IBM, Infosys, Dell, HCL, Wipro, Virtusa, Aon Hewitt, Convergys, and so on
- Answers to the MCQs are provided with their detailed explanations
- All IT processes are covered in detail
