Peggy O'Mara, editor and publisher of Mothering magazine "Few authors today are more trusted by natural parents than Sarah Buckley. Gentle Birth, Gentle Mothering is an exceptional book that gives families the confidence they need to follow their own instincts."

Dr Sarah Buckley

A doctor and a mother, she approaches the question of how a woman and baby might have the most fulfilling birth experience with respect for the wisdom of both medical science and the human body. Using current medical and epidemiological research plus women's experiences (including her own), she demonstrates that what she calls 'undisturbed birth' is almost always healthier and safer than hospital births.
