databases option. In order to create a new database, we will click the Add or Create SQL database link on the SQL databases page.

Getting started with Azure SQL Database

In fact, you don't even need to be an experienced programmer to use SQL to create a database. In this article, I'll explain how to create a simple relational database management system (RDMS) using MySQL 5.6. Before I get started, I want to quickly thank SQL Fiddle, which I used to run my script. It provides a useful sandbox for testing simple ...
