In: Roy Ellen, Peter Parkes, Alan Bicker, eds.,
Indigenous environmental knowledge and its transformations. Amsterdam: Harwood Academic Publishers, pp. 213-251. Departing from his study of the indigenous knowledge system of smallholder cultivators of para rubber in Kalimantan, the author considers two different views of indigenous knowledge.

Indigenous environmental knowledge and its transformations ...

Abstract. The indigenous knowledge systems are a significant resource which would contribute to the increased efficiency, effectiveness and sustainability in environmental conservation among rural communities of developing countries in particular. They form the basis for community-level decision making in areas pertaining to food security, human and animal health, education and more important in natural resource management.

Role of indigenous knowledge systems in the conservation ...
