This long-awaited new edition has been fully updated and revised by the original authors as well as two new members of the author team. Based on many years of active research and teaching it takes the discipline's most difficult aspects and makes them accessible and

Download Free Introduction To International Studies

interesting. Each chapter builds up an understanding of the different ways of looking at the world. The clarity of presentation allows students to rapidly develop a theoretical framework and to apply this knowledge widely as a way of understanding both more

Download Free Introduction To International Studies

advanced theoretical texts and events in world politics. Suitable for first and second year undergraduates studying international relations and international relations theory.

Since the 1950s, globalization has

Download Free Introduction To International Studies

been an increasingly irresistible trend and one that has exerted a tremendous impact on the political, economic, military, environmental, and social fortunes of mankind - and yet, existing theories in humanities and social sciences have been

Download Free Introduction To International Studies

fundamentally built upon the traditional "nation-state" model. These two volumes, a pioneering work on global studies to be published out of China, aims at creating a new theoretical framework against the backdrop of globalization. Volume 1

Download Free Introduction To International Studies

introduces the core concepts and discusses the critical issues of globalization while the editors redefine notions of politics, economics, law, and globality while deploying globalization as a theoretical framework. Volume 2 examines the multi-level and

Download Free Introduction To International Studies

multi-dimensional nature of globalization, analysing processes and systems of global society in the light of globalization, and exploring the construction of a stable and rational global order. These two volumes of global studies are an essential reference
