year might be different, though. After all, Hank's the only kid in Brooklyn—probably the only kid in North America—with an invisible bandapat living in his laundry basket. And Invisible Inkling loves Halloween. Pumpkins are his favorite food. But Hank has serious trouble stopping Inkling from devouring every jack-o'-lantern in their neighborhood. And that's not his only problem: Will he figure out a cool costume? Will he survive the small army of ballerinas roaming the hallways of his building? Will Hank ever get revenge on Nadia? Inkling has long since stopped listening to Hank's worries. Inkling is taking action.

The adventures of Brooklyn boy Hank Wolowitz and his invisible—but not imaginary—friend continue with *The Whoopie Pie War*, the third book in the Invisible Inkling series by Emily Jenkins. A truck selling ice-cream whoopie pies sets up right in front of the ice-cream shop belonging to Hank's family, and it's taking away all the shop's business. His dad is going crazy. His mom is furious. Hank and Inkling, his invisible bandapat, aren't going to take it. *The Whoopie Pie War* is on! They'll do whatever it takes to beat the whoopie pie truck—unicorn costumes, extreme kindness, an army of supervillains. The illustrated chapter book's mix of silliness, fantasy, strong sense of place, and a realistic family make it a great pick for middle-grade readers.

Jake recounts his second grade introduction to Link Baxter, SuperBully, who becomes his class project partner, with surprising results. When Jake was three years old at Miss Lulu's Dainty Diaper Day Care Center, what did he know about bullies? Nothing. But he learned fast! Why? Because Jake was kind of smart and not a tattletale, and he had no big brother to protect him. He was a

perfect bully magnet. But everything changed the year Jake was in second grade. That's when SuperBully Link Baxter moved to town. Jake had his hands full just trying to survive, until class project time. Who did the teacher assign to be Link's partner? You guessed it. Jake has to use all his smarts -- and his heart as well -- to turn himself from Jake Drake, Bully Magnet, to Jake Drake, Bully Buster.

A hilarious, illustrated middle-grade adventure about a superhero with no superpowers! "Should appeal to readers who enjoy the Captain Underpants and Wimpy Kid series. † ? - School Library Connection When Murph Cooper begins his new school several weeks into the year, he can't help but feel a bit out of his depth. And it's not because he's worried about where to sit, making friends, and fitting in. It's because his mom has accidentally enrolled him at a school for superheroes. And unlike his fellow students, who can control the weather or fly or conjure tiny horses from thin air, Murph has no special abilities whatsoever. But Murph's totally normal abilities might just be what the world needs. Because not far away is a great big bad guy who is half man and half wasp, and his mind is abuzz with evil plans . . . and when he comes after the best and the brightest, it's up to Murph to be the real hero. With black-and-white illustrations throughout, this laugh-out-loud story proves that heroes come in all shapes and sizes.

When Hank Wolowitz runs into trouble in the form of a lunch-stealing bully, he finds an unlikely ally in an invisible refugee pumpkin-loving bandapat named Inkling.
