"10 New Books We're Dying to Read in September" --The Zoe Report In this deeply personal collection of essays, creator of the The Conversation Amanda de Cadenet shares the hard-won advice and practical insights she's gained through her experiences as businesswoman, friend, wife, and mother. Amanda is on a mission to facilitate conversations that allow all women to be seen, heard, and understood. Through her multimedia platform The Conversation, she interviews some of today's most bad ass women—from Hillary Clinton to Lady Gaga—in no-holds-barred conversations that get to the heart of what means to be female. Now, in It's Messy, Amanda offers readers an extension of that conversation, inviting them into her life and sharing her own story. From childhood fame to a high-profile marriage (and divorce) to teen motherhood to the sexism that threatened to end her career before it started, Amanda shares the good, the bad, and the messy of her life, synthesizing lessons she's learned along the way. Through it all, she offers an original perspective as a feminist on the front lines of celebrity culture. Edgy, irreverent, poignant and provocative, It's Messy addresses the issues, concerns, and experiences relevant to women today.

"Readers will laugh out loud, cry, and commiserate with her every step of the way....The protagonist is a feisty, mixed-up, phenomenal delight." Kirkus Reviews "Shawna Railey has crafted a funny, sensitive, yet relatable narrative around her title character. Anyone who has experienced loss can understand Blue's attempts to come to terms with it. A strong debut novel that would be an excellent recommendation for any reader looking for books on loss and sibling relationships." Booklist "Railey's debut is a touching and humorous tale of family, loss, grief, and friendship." School Library Journal "A book for our times."-Betsy Bird for School Library Journal Eleven-year-old "Blue" Warren is cursed with three bothersome brothers, a too-busy father, a recently deceased mother, and she's annoyed. With humor, hijinks, and heart, this debut novel is a touching tale of grief and the healing power of family. Eleven-year-old Beulah "Blue" Warren spends every waking moment surrounded by boys: her three brothers, her father, her best friend, even the family dog, but that's never stopped her from being her usual rambunctious self. Grappling with the loss of her mother, Blue is determined to do what she wants without fear of consequences. When she is sent to the principal's office, she gets out of it like a pro. When the witchy neighbor next door trashes her yard, Blue doesn't just get even, she gets ahead. No clean underwear because she hasn't done the laundry? No worries. That's what her little brother's Superman underwear is for, isn't it? But everything changes on the day she explores the attic and finds her mother's death certificate. Blue will need to muster all the strength she has to deal with the truth, find forgiveness, trust in her father, and grieve for her mother once and for all.

The “wise, wildly funny story” of a self-destructive writer’s lost weekend by a Pulitzer Prize–winning, New York Times–bestselling author (Chicago Tribune). A wildly successful first novel made Grady Tripp a young star, and seven years later he still hasn’t grown up. He’s now a writing professor in Pittsburgh, plummeting through middle age, stuck with an unfinishable manuscript, an estranged wife, a pregnant girlfriend, and a talented but deeply disturbed student named James Leer. During one lost weekend at a writing festival with Leer and debauched editor Terry Crabtree, Tripp must finally confront the wreckage made of his past decisions. Mordant but humane, *Wonder Boys* features characters as loveably flawed as any in American fiction. This ebook features a biography of the author.

Life is messy. It isn't a color-within-the-lines exercise. It's a wild and outrageous invitation full of uncertain outcomes. The mess of life is both inevitable and unexpected. It is filled with delightful mysteries and frustrating predicaments. In our disposable culture, we throw broken things away. So, what will we do with broken people, broken relationships, broken institutions, broken families, and of course, our very own broken selves? We are all broken and wounded. This book is about putting our lives back together, and allowing ourselves to be put back together, when life doesn't turn out as we expected it to. Based on his own heart-wrenching personal journals, Matthew Kelly shares how the worst three years of his life affected him, by exploring this question: Can someone who has been broken be healed and become more beautiful and more lovable than ever before? The answer will fill you with hope. There has never been a more urgent need for us to attend to what is happening within us. This is quite simply the right book at the right time.

#girlgaze is on a mission to close the gender gap by creating visibility and tangible jobs for girls behind the lens and this timely book, from photographer and media entrepreneur Amanda de Cadenet's visionary focus, features a beautiful and powerful collection of images capturing how young women perceive the world. This inspiring must-have for feminists and creatives alike showcases the work of a diverse collective of female-identifying photographers mixing candid and formal photos of females living their lives: moments of significance caught in a fraction of a second at home, on the streets, remote countrysides, and in war-torn countries. Spirited, elegant, and inspiring, #girlgaze promotes and highlights the work of Gen Z female photographers from all walks of life and is a stunningly beautiful representation of the female gaze.

Young readers will join Zara, a clever, responsible, and sometimes anxious seven-year-old girl, in learning a fun and simple breathing exercise to help them mindfully manage their big messy emotions and find peace and calm in any situation. Like a lot of kids her age, Zara sometimes struggles with managing her emotions when confronted with stressful situations. Written by a mother-of-five and celebrated meditation guide Rebekah Borucki, *Zara's Big Messy Day* will help your child deal with everyday stress in simple but impactful way. Guided by Zara’s mother, both Zara and the reader will learn a kid-friendly breathing technique—a short visualization meditation—that will help them find peace and calm in any moment. And the best part: they'll learn to do it on their own after reading the book just one time! *Zara’s Big Messy Day* is used by teachers, guidance counselors, and social workers in elementary school curriculum nationwide to teach students mindfulness and self-regulation. Get free gifts: You'll also get free access to downloadable coloring pages, an exclusive guided meditation for kids, and more! A high school senior navigates messy boys and messier relationships in this biting funny and much-needed look into the overlap of Asian American identity and teen sexuality. June Chu is the “just good enough” girl. Good enough to line the shelves with a slew of third-place trophies and steal secret kisses from her AP Bio partner, Rhys. But not good enough to meet literally any of her Taiwanese mother’s unrelenting expectations or to get Rhys to commit to anything beyond a well-timed joke. While June’s mother insists she follow in her (perfect) sister’s footsteps and get a (full-ride) violin scholarship to Northwestern (to study pre-med), June doesn’t see the point in trying too hard if she’s destined to fall short anyway. Instead, she focuses her efforts on making her relationship with Rhys “official.” But after her methodically-planned, tipsily-executed scheme explodes on the level of a nuclear disaster, she flings herself into a new relationship with a guy who’s not allergic to the word “girlfriend.” But as the line between sex and love blurs, and pressure to map out her entire future threatens to burst, June will have to decide on whose terms she’s going to live her life—even if it means fraying her relationship with her mother beyond repair.

That storyline drives Hell of a Book and is the scaffolding of something much larger and more urgent: Mott's novel also tells the story of Soot, a young Black boy living in a rural town in the recent past, and The Kid, a possibly imaginary child who appears to the author on his tour. As these characters' stories build and converge, they astonish. For while this heartbreaking and magical book entertains and is at once about family, love of parents and children, art and money, it's also about the nation's reckoning with a tragic police shooting playing over and over again on the news. And with what it can mean to be Black in America. Who has been killed? Who is The Kid? Will the author finish his book tour, and what kind of world will he leave behind? Unforgettably told, with characters who burn into your mind and an electrifying plot ideal for book club discussion, Hell of a Book is the novel Mott has been writing in his head for the last ten years. And in its final twists, it truly becomes its title.

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

A memoir from the world-famous chef describes his life as an orphan in Ethiopia, upbringing by his adoptive family in Sweden, and the cooking lessons from his adoptive grandmother that lead him to train in some of Europe's most demanding kitchens.
