The book tells the story of a small farmer on a 280-acre patch of land in the Northern Great Plains, who dared to take a stand against agribusiness by planting what others considered weeds.

Lentil Underground - Timeless Natural Food

Liz Carlisle totally explodes that fantasy with her account of the farming group that she calls "the lentil underground". A small and steadily growing group of real, family farmers who are producing good food at good prices. And, there is no need for concern that when you buy from them you are despoiling the environment.
