Updated : Jun 13, 2021, 15:26 IST 2919 views Actor Sonu Sood has been winning hearts for his extraordinary humanitarian and philanthropic work since the beginning of the COVID-19 pandemic last year.

Having returned from the infernal Abyss only to find his whole world changed, young "sinner" Oz Vessalius embarks on an attempt at normalcy after being reunited with his best friend and valet, Gilbert, whom he had presumed dead. But during a trip into town with Gil and Alice, an unexpected encounter

leads Oz down memory lane...For Oz, however, the path is one covered with the most menacing of thorns. And lying in wait to assail him there...The baleful eye of his father and the echoes of cursed words Oz would much rather forget...

REMEMBER...WHAT IT IS YOU TRULY DESIRE--! Duldum and Duldee, two hearts struggling against each other. They are interchangeable, but far from ordinary, reverberations. The irreversible final moment closes in, a result of a seemingly hopeless wish. As if it was the beginning of the end...

The air of celebration surrounding fifteen-year-old Oz Vessalius's coming-of-age ceremony quickly turns to horror when he is condemned for a sin about which he knows nothing. He is thrown into an eternal, inescapable prison known as the Abyss from which there is no escape. There, he meets a young girl named Alice, who is not what she seems. Now that the relentless cogs of fate have begun to turn, do they lead only to crushing despair for Oz, or is there some shred of hope for him to grasp on to?

The earnest emotions of one man cross the divides of space and time, laying bare his life, which was long hidden in the depths of memory. But when these revelations come to pass, the reality Oz has known begins to change and shift into something wholly bewildering. Could the desire in one man's heart have been the very darkness gnawing at everything all along...?

As Oz Vessalius and his valet, Gilbert, are reunited with their dear Uncle Oscar, they fail to notice an alienated Alice lost in thought stumbling right into the lurking Xerxes Break. Before Alice can take heed of Break's warning of a trap set by the Cheshire Cat - a powerful, extraordinary chain - she and Break are spirited away to Cheshire's lair, where both danger and fragments of Alice's past reside. With Sharon's help, Oz and Gil find a way to enter the sealed dimension of memories, but not only do their allies await them there, so too does the man from Alice's earlier memory! Does he hold the key to the truth about Oz's "sin"?

"The answer you seek lies within them." Oz Vessalius may have survived his stint in the Abyss, but he is no closer to discovering the truth behind the "sin" for which he was condemned. On the advice of a mysterious man who appeared to him when Alice regained the first of her memories, Oz, along with Alice and Pandora's Raven, embarks on a mission to investigate the site of his disastrous coming-of-age ceremony in search of answers. However, what begins as a simple investigation becomes the revelation of a harsher reality, which comes swooping down on Oz as the hands of the clock continue ticking away mercilessly...

The tragedy that befell a bustling city a hundred years earlier. Eyes of ill omen. Stone seals. The warped gears that began turning long ago play out a requiem for one who was much loved. The solemn sound of the dirge colors the world that hears its notes a melancholy gray...as though it was always meant to be...

Guided by Jack Vessalius, the man from Alice's memories, Oz wanders back into the world of lost memories in search of Alice. There, he stumbles upon the devastating tragedy of Sablier, the century-old disaster which sent the old capital into the Abyss, an incident of which no one has any recollection...except Alice, who was there?! When Oz discovers the truth of the memories Alice so desperately wants to forget, the powers of the B-Rabbit will spiral out of control and threaten the lives of all who are trapped within the dreamlike dimension, including Alice herself...

The pathetic farce that has unfolded in earnest is no more than an absurd yarn spun by the man who caused the Tragedy of Sablier by following his heart's desires. The players in his tale begin dancing with
