The battle to save the kingdoms devastated by the Plague culminates in this exhilarating finale to the Whispers from Mirrowen trilogy. If there is anything more dangerous than the Plague itself, it is the journey that awaits those sworn to stop it. Tyrus, the renegade magic-wielder exiled from Kenatos, knows this firsthand. His original mission through the Scourgelands met a tragic end, leaving him as the sole survivor. Now all hope lies with his daughter, Phae, the uniquely gifted Dryad-born who can not only steal memories but also summon the power of the fireblood--and who alone has the power to breach the lost gate of Mirrowen. But first Phae and the comrades who have come to her aid must survive the most dangerous place on earth: the Scourgelands. The menacing woods prove every bit as treacherous as reputed. Murder, sacrifice, deception, and an epic battle with a beast ensue. Will Phae reach the land beyond the grasp of the deadly Plague...or will the quest through the Scourgelands end in tragedy once again?

Tyrus of Kenatos has made it his life's work to banish the plagues that ravage the kingdoms. He believes the answer to ending the devastation lies in the Scourgelands. Yet, Tyrus's first expedition into the cursed woods failed after being defeated by mysterious minions who stalked and killed most of his band. Now a prisoner in his own tower, Tyrus has summoned his nephew Annon--a Druidecht possessing innate magic called the fireblood--on the guise of finding a hidden treasure with which to purchase his twin

sister Hettie's freedom. But in reality, Tyrus is using his niece and nephew, and their magic, as an opportunity to escape and resume his desperate mission. And to aid them, he has enlisted the warrior-monk Paedrin--who is almost as green as the siblings when it comes to traveling these troubled lands. The trio is determined, and along the way they grow to trust each other--and new additions to the group--in order to accomplish their missions...whether or not those missions are one and the same. But the Arch-Rike--ruthless ruler of Kenatos--has learned of these plans, and has sent the fearsome Kishion to destroy all those that oppose him. Now Tyrus and his unwitting allies must face down not only the plague, but this new enemy--and fulfill their quest before a fresh horror is unleashed on the world....

In the scourged kingdoms of Mirrowen, little hope survives Rumors stir of a hidden child who can stop the devastating plagues--and the race to find her has begun. The ruthless ruler of Kenatos, the Arch-Rike, and the people pledged to stopping him will do anything to make sure they're the ones to reach her first. Because even though young Phae may be unaware that she is the long-lost daughter of Tyrus--the Arch-Rike's rival--there is no mistaking her gift. She not only wields the dangerous fireblood, but she can also steal the memories of anyone who looks into her eyes. Both Fireblood and Dryad-born, she alone can survive the Scourgelands long enough to learn the secrets hidden within the oaks--secrets that may reveal the origins of the plagues...and how to fight them. Now Phae must learn to accept her newfound destiny or forever fear the steadfast evil of the Arch-Rike.

Now Drethene must convince the One People that their lives are not as tranquil as they seem. They are being hunted and must reunite with a sister-world that has been erased from their past.
