The 24-page book, *Vote for Me!*, introduces early learners to teacher-focused concepts that will help them gain important reading comprehension and social skills. The vibrant illustrations and engaging leveled text in the Little Birdie Books' Leveled Readers work together to tell fun stories while supporting early readers. Featuring grade-appropriate vocabulary and activities, these books help children develop essential skills for reading proficiency.

We revisit Lipset's law, which posits a positive and significant relationship between income and democracy. Using dynamic and heterogeneous panel data estimation techniques, we find a significant and negative relationship between income and democracy: higher/lower incomes per capita hinder/trigger democratization. Decomposing overall income per capita into its resource and non-resource components, we find that the coefficient on the latter is positive and significant while that on the former is significant but negative, indicating that the role of resource income is central to the result.

Geology-an Overview; Matter and Energy-a Review;Geologic Resources of materials and energy.

Based on a set of four research parameters, this book discusses the development of research questions and hypotheses, naturalistic and experimental research, data collection, and validation of research instruments. Each chapter includes examples and activities.

Featuring short stories from Jim Butcher, Seanan McGuire, Kevin J. Anderson, and Rob Thurman, this dark and gritty "must-read anthology for UF fans" (RT Book Reviews) proves that nothing is as simple as black and white, light and dark, good and evil... In #1 New York Times bestselling author Jim Butcher's *Cold Case*, Molly Carpenter—Harry Dresden's apprentice-turned-Winter Lady—must collect a tribute from a remote Fae colony and discovers that even if you're a good girl, sometimes you have to be bad... New York Times bestselling author Seanan McGuire's *Sleepover* finds half-succubus Elsie Harrington kidnapped by a group of desperate teenage boys. Not for anything "weird." They just need her to rescue a little girl from the boogeyman. No biggie. In New York Times bestselling Kevin J. Anderson's *Eye of Newt*, Zombie P.I. Dan Shamble's latest client is a panicky lizard missing an eye who thinks someone wants him dead. But the truth is that someone only wants him for a very special dinner... And New York Times bestselling author Rob Thurman's infernally heroic Caliban Leandros takes a trip down memory lane as he deals with some overdue—and nightmarish—vengeance involving some quite nasty Impossible Monsters. ALSO INCLUDES STORIES BY Tanya Huff * Kat Richardson * Jim C. Hines * Anton Strout * Lucy A. Snyder * Kristine Kathryn Rusch * Erik Scott de Bie *
