Extinction Point Series by Paul Antony Jones

An eagerly awaited third installment of the Extinction Point series that, unfortunately fails dismally to live up to the fast paced `roller coaster` ride of its two predecessors. And what a great shame that is.

This is the third book in the series and was originally going to be the last in a trilogy, but paul has hinted that there could be other books added to the extinction point theme. This book is an enjoyable read and i wasn't dissapointed with some of the ideas used in the book, the alien world is unknown (hence the word alien) and anything could ...

Point, Book 3 (Audible ...

Extinction Point: Kings is the last book in the series. And it was a very good book. It's been 2 years since I read the 4th Extinction Point book, Genesis, and I was really surprised that I could pick up KINGS and immediately be right back in the midst of things.

Extinction Point: Kings by Paul Antony Jones

Revelations, the third and final book in Paul Antony Jones' Extinction Point trilogy, is aptly titled, for it is a book about revelations. The real origin of the red rain, the purpose of its arrival and destruction of the planet, and what these revelations mean for humanity – that is the big question that drives the series as a whole, and ...
