but zero ambition, and there ' s no way she ' ll accept anything less than a man who can keep up with her, in and out of bed. But the new-and-improved cowboy is impossible to resist, so Melody issues a challenge. Three months to prove he ' s reformed. Three months of Steve orchestrating one sexual indulgence after another— wicked distractions from the old boys ' club Melody faces at work and Steve's growing responsibilities. Rocky Mountain House, her rambling lifestyle isn't all she's hoping to change. Travis snagged a piece of her, and while getting tangled in his issues again might be crazy, she hasn't given up on him. Nine months ago, Cassidy Jones walked away to stop his best friend from making a huge mistake. Temptation lingers, though, and when Travis shows up on his turf accompanied by a sensually uninhibited woman, the combination tosses fuel on the banked fire. Passion flares among the three of them, as hot as the summer days. But are they willing to push the limits, and fight for love? Warning: Dirty fighting, dirty talk, dirtier sex—secrets are coming out. Get ready for ménage à trois and cowboy-on-cowboy action, with ropes and crops and the kind of relentless love strong enough to set a man free. ----- Nothing comes easy. You 've gotta work for it. Matt Coleman always figured at this point in his life, he 'd be settled down with a family. Since his ex split for the big city, though, no way will he give anyone else the chance to drop-kick his heart. Physical pleasure? Hell, yeah, he 'll take—and give—with gusto, but nothing more. Hope Meridan is working long hours to hold on to her new quilt shop, going it alone since her sister/business partner ran off. Sex? Right, like she 's got the time. Not that she

doesn't have the occasional dirty fantasy about Matt. Fat chance he'd dream of knocking boots with her—the younger sister of the woman who dumped him. Nope, she'll just have to settle for friendship. Friends would be far easier if there wasn't something combustible going on between them. And when casual interest starts to grow into something more, their tenuous bond strengthens in the heat of desire. But it may not survive the hurricane-force arrival of the last person either of them ever wanted to see again... Warning: Small-town rivals, men in pursuit and family meddling—in good and bad ways. Look for a cowboy who knows how to rope, ride and rein in a hell of a lot more than eight seconds of sheer bliss.

happiness she deserves, no matter how much sweet-talking—or dirty talk—it takes. Meanwhile, when a shocking truth is shared with the oldest of the Six Pack sons, Blake Coleman begins a journey of assessment. Can he really fill his father's boots and be the leader his generation turns to for guidance? With lots of visits with all your favourite Colemans, this is a celebration of love and the lessons learned along the way. Warning: this book is full of happily-ever-afters.
