New York Times bestselling author Mary Balogh sweeps us back in time to an age of scandal and glittering society—and brings to life an extraordinary family: the daring, passionate Huxtables. Katherine, the youngest sister—and society's most ravishing innocent—is about to turn the tables on the irresistible rakehell sworn to seduce her, body and soul.... In a night of drunken revelry, Jasper Finley, Baron Montford, gambles his reputation as London's most notorious lover on one woman. His challenge? To seduce the exquisite, virtuous Katherine Huxtable within a fortnight. But when his best-laid plans go awry, Jasper devises a wager of his own. For Katherine, already wildly attracted to him, Jasper's offer is irresistible: to make London's most dangerous rake fall in love with her. Then Jasper suddenly ups the ante. Katherine knows she should refuse. But with scandal brewing and her reputation in jeopardy, she reluctantly agrees to become his wife. Now, as passion ignites, the seduction really begins. And this time the prize is nothing less than both their hearts....

The youngest of the Jones brothers, Kit, has just been made the Marquess of Daventry—heir to his vengeful grandfather, the Duke of Wenlocke. Kit wants to free his family from the old duke, and he hires the beautiful Emma Portland to tutor his young wards while he makes his plans. But Emma's true identity may be even more dangerous to Kit than his dastardly uncle. And the feelings they begin to have for one another may spell their mutual doom.

He can't forget a magical hour in a North Cascades forest last winter, shared with an indigo-eyed goddess who now calls LA her home. Ava Chestain is a stylist for Bella Lanza, star of a hit nighttime drama. When Ethan and his buddies finagle a visit to the set, his reunion with Ava melts the months away. her own naughty past with Ethan. His efforts to push Bella off are thwarted when the unit is called to assist the CIA on a terrorist plot to destroy the West Coast. Part of the plan? Someone has to get closer to Bella, and Ethan's the logical choice. Though Ethan risks his career by telling Ava about the plot, her trust is an impossible gift to earn. Her passion is a different story. As his willing submissive, Ava gives him the fire his body craves and the surrender his soul needs. She's a dream come true, until the cuffs come off and the sun comes up. When a terrifying turn of events escalates the terrorists' plan into reality, Ethan must make decisions that will either kill or save them all. Two of Angel Payne's most beloved series collide for the first time! It was supposed to be a quick and easy mission. It became the night that changed his life. Being in the wrong place at the wrong time isn't new for Max Brickham. During his years in black ops, it was the norm more than the exception, including the mission that broke his spirit and ended his career. As an independent contractor, he's now able to accept the cushy jobs that are best left beneath law enforcement's radar—like the assignment he takes on as a quick favor for a longtime friend. Find a princess in a city of millions before her enemies know what he's up to. Simple, right? Never has he been so wrong. Jayd Cimarron, princess of Arcadia beloved by her people and the media alike, has fled her island home after learning terrible secrets about her past. She's in Paris seeking answers, but in Brick's protective custody she finds so much more. Hidden passions. Wicked sins. The magical pieces of her sensual side, revealed by this man's hypnotic dominance...and addicting touch. Under cover and on the run, Brick and Jayd crisscross the City of Light while fighting to stay one step ahead of the Arcadian insurgents who want to imprison her, while hunting for the one man who can unlock her past. It's a terrifying tightwire without a safety net, but reaching to each other for balance is even more frightening. Every new embrace means more truths—and vulnerabilities—are bared. Stripped to their cores, can they find enough trust and strength in each other to fly into freedom...or fall into heartbreak?

Two of Angel Payne's most beloved series collide for the first time! They're on borrowed time. But is it a gift to be savored or a torture to endured? Jayd Cimarron and Max Brickham gave themselves to each other during a night that was only supposed to be just that. But when the retrieval mission for Jayd turned into the rescue mission for Brick, their finite hours turned into an accidental extension in Jayd's island kingdom. But palm trees and Mediterranean breezes aren't big enough erasers for their twisted challenges. Brick is a wanted man by nearly every law enforcement agency on the globe, and Jayd is still in the crosshairs of the ruthless renegade who wants her as his ticket into Arcadian politics. Jayd's brothers don't see Brick in any better light, especially after discovering he owns two high-end dungeons that cater to people's hottest fantasies. Their edict is clear. The sooner Brick leaves Arcadia, the better. Desire dictates other plans. Brick and Jayd can't ignore the soul-deep bond that draws their bodies—and hearts—closer. In the furnace of their passion, they have no choice about acknowledging the power of their bond: a connection that's tested when Jayd disappears during a hostile invasion on Arcadia. Until now, Brick thought his worst fears had already been faced and beaten. With the help of some trusted friends, he must dive to a new level of terror inside himself—because there, in his heart, is where he'll find the way back to Jayd. The unbreakable bond of their invincible love.

He saved her life...she saved his soul. Garrett Hawkins is the most valuable asset to his Special Forces unit, because, frankly, the guy doesn't care if he lives or dies anymore. Since the love of his life, Sage Weston, was kidnapped and killed with her medical unit a year ago, Garrett has turned the shell of his soul into the armor of a finely tuned fighting machine. Being the first tapped for the unit's craziest missions is just fine by him. The less time for memories and the agony they carve into his soul, the better. It's a plan that works, until Garrett's world is upended one night in the jungles of Thailand. Memories become reality when the unit is called to rescue a group of kidnapped aid workers, and they discover Sage and her teammate among the retrieved women. Now that Sage is back in his arms, Garrett doesn't know what to do. He has changed in dramatic ways, especially in the darker tastes of his passion. If he touches Sage again, he'll want to claim her, restrain her...dominate her. Is Sage's love strong enough to let Garrett back in, not only as her fiancé but her Dominant? Can she trust that visiting the new shadows of his life will lead her to ecstasy and not ruin? Or can Garrett's discipline be exactly what her soul needs to find its way back to life—and love—again?
