13 haunting tales perfect for fans of the bestselling author, R. L. Stine, of the Goosebumps series. Turn the pages if you dare. . . . In this collection of thirteen fabulously chilling stories from thirteen true masters of suspense, including five New York Times bestsellers and a number of Edgar Award nominees, all edited by none other than R. L. Stine, nothing is what it seems. From cannibalistic children, to an unwitting date with a vampire, to a crush on a boy who just might be a werewolf, no scary stone is left unturned. A must-have for all fans of the genre!

Bestselling master of suspense Jeffery Deaver's enviable task was to select from the thousands of stories written over the past one hundred years those which best represented the classic form, as well as the celebrated authors whose ironic twists and stunning payoffs left a lasting and vivid impression. Delivering everything from the one-two punch of the detective story to the ingeniously precise trappings of the police procedural, from the disquieting corners of the criminal mind to sheer dread-inducing horror, A Century of Great Suspense Stories is a rich anthology of this popular literary genre, a stunning tribute to the art of storytelling, and to the men and women who have done it best.

Five tales of terror and suspense include works by H.G. Wells, Charles Dickens, Sir Arthur Conan Doyle, Ambrose Bierce, and Washington Irving

Laurie R. King illuminates the hidden corners of her beloved Mary Russell and Sherlock Holmes series in this dynamic short story collection. In nine previously published short stories and one brand-new, never-before-seen Sherlock Holmes mystery—available together for the first time—Laurie R. King blends her long-running brand of crime fiction with historical treats and narrative sleight of hand. At the heart of the collection is a prequel novella that begins with England's declaration of war in 1914. As told in Mary Russell's teenage diaries, the whip-smart girl investigates familial mysteries, tracks German spies through San Francisco, and generally delights with her extraordinary mind—until an unimaginable tragedy strikes. Here too is the case of a professor killed by a swarm of bees; Mrs. Hudson's investigation of a string of disappearing household items—and a lifelong secret; a revealing anecdote about a character integral to The God of the Hive; the story of Mary's beloved Uncle Jake and a monumental hand of cards; and a series of postcards in which Mary searches for her missing husband, Sherlock Holmes. Last but not least, fans will be especially thrilled by Mary's account of her decision, at age ninety-two, to publish her memoirs—and how she concluded that Ms. King should be the one to introduce her voice to the world. Praise for Laurie R. King's Mary Russell mysteries "The most sustained feat of imagination in mystery fiction today." Lee Child "The great marvel of King's series is that she's managed to preserve the integrity of Holmes's character and yet somehow conjure up a woman astute, edgy, and compelling enough to be the partner of his mind as well as his heart." The Washington Post Book World "A lively adventure in the very best of intellectual company." The New York Times "Erudite, fascinating . . . by all odds the most successful re-creation of the famous inhabitant of 221B Baker Street ever attempted." Houston Chronicle "An engaging romp guaranteed to please . . . perfectly written in the style of Sir Arthur Conan Doyle." USA Today, on Pirate King "Mesmerizing—another wonderful novel etched by the hand of a master storyteller. No reader who opens this one will be disappointed." Michael Connelly, on The God of the Hive "Historical fiction doesn't get any better than this." The Denver Post, on The Game

This is the ultimate feast of fear by a host of horror writers such as Robert Bloch, Ray Bradbury, Ramsey Campbell, and others. Twenty-four macabre tales include the nerve-twisting novelette The Mist by Stephen King.

Befriended by some of America's most successful and wealthy black men, a talented African-American lawyer working out of a Queens storefront accepts their invitation to a weekend getaway only to learn that they are part of a secret organization that would promote white slavery. A first novel.

Dark, brilliant fiction from the New York Times-bestselling author: "Oates' spookiness is visceral, psychologically involving, and socially astute." Booklist In the title story of her taut new fiction collection, Joyce Carol Oates writes: Life was not of the surface like the glossy skin of an apple, but deep inside the fruit where seeds are harbored. There is no writer more capable of picking out those seeds and exposing all their secret tastes and poisons than Oates herself—as demonstrated in these six stories. One tale opens with a woman, naked except for her high-heeled shoes, seated in front of the window in an apartment she cannot, on her own, afford. In this exquisitely tense narrative reimagining of Edward Hopper's Eleven A.M., 1926, the reader enters the minds of both the woman and her married lover, each consumed by alternating thoughts of disgust and arousal, as he rushes, amorously, murderously, to her door. In "The Long-Legged Girl," an aging, jealous wife crafts an unusual game of Russian roulette involving a pair of Wedgwood teacups, a strong Bengal brew, and a lethal concoction of medicine. Who will drink from the wrong cup, the wife or the dance student she believes to be her husband's latest conquest? In "The Sign of the Beast," when a former Sunday school teacher's corpse turns up, the blighted adolescent she had by turns petted and ridiculed confesses to her murder—but is he really responsible? And another young outsider, Horace Phineas Love, Jr., is haunted by apparitions at the very edge of the spectrum of visibility after the death of his tortured father in "Night-Gaunts," a fantastic ode to H.P. Lovecraft. "Consummately well-written, stylistically dashing...forthrightly nightmarish." Kirkus Reviews

The first book in Ross Macdonald's acclaimed Lew Archer series introduces the detective who redefined the role of the American private eye and gave the crime novel a psychological depth and moral complexity only hinted at before. Like many Southern California millionaires, Ralph Sampson keeps odd company. There's the sun-worshipping holy man whom Sampson once gave his very own mountain; the fading actress with sidelines in astrology

and S&M. Now one of Sampson's friends may have arranged his kidnapping. As Lew Archer follows the clues from the canyon sanctuaries of the megarich to jazz joints where you get beaten up between sets, *The Moving Target* blends sex, greed, and family hatred into an explosively readable crime novel.
