A new edition of a classic 1982 American Book Award nominee follows James Chelni, an infantryman in Vietnam, who, while stationed in an area controlled by enemy forces, changes from having pacifist leanings to being a raging war lover. Reprint.

John M. Del Vecchio’s searing bestseller The 13th Valley was praised as one of the most powerful works of literature to emerge from the Viet Nam experience. Now back in print comes an even more stunning achievement: For the Sake of All Living Things. In this unflinching and unforgettable epic saga, Del Vecchio re-creates the violence and horror of Viet Nam’s parallel tragedy—the Cambodian holocaust—as seen through the eyes of a Cambodian family and the American adviser whose fate becomes irrevocable linked with theirs. A sweeping tale of savagery and survival that pits parents and children against both the North Vietnamese invaders and the unprecedented ferocity of the Khmer Rouge, For the Sake of All Living Things is an unrelenting, ultimately inspiring chronicle of conflict and redemption in the killing fields. “Harrowing....[Del Vecchio] has added another memorable book to the literature of the Southeast Asian conflict.” —The New York Times Book Review “Nothing can prepare the reader for the experience of this book.” —The Dallas Morning News “Exhaustive, emotionally powerful....Del Vecchio brilliantly portrays the labyrinthine tragedies that led to the 1970s cataclysm in Cambodia.” —Publishers Weekly

Three classic novels by John M. Del Vecchio about Vietnam, Cambodia, and the aftermath of war. A classic combat novel and National Book Award finalist, The 13th Valley follows the terrifying Vietnam combat experiences of James Chelini, a telephone-systems installer who finds himself an infantryman in the North Vietnamese Army—infested mountains of the I Corps Tactical Zone. Spiraling deeper and deeper into a world of conflict and darkness, this harrowing account plunges Chelini into jungle warfare and traces his evolution from semi-pacifist to all-out, combat-crazed soldier. The seminal novel on the Vietnam experience, The 13th Valley is a classic that illuminates the war in Southeast Asia like no other book. Some reviewers have called For the Sake of All Living Things the most terrifying book they have ever read. This saga follows a rural Cambodian family—father Chhoun; his beautiful daughter, Vathana; and his young son, Sannang, who becomes the Khmer Rouge yothea Met Nang—from the mid-sixties through the escalation of the civil war, into the horrors of the holocaust, and finally to the country’s quest for rebirth. Documenting their story is American Special Forces Captain John Sullivan who served with the Military Equipment Delivery Team, and who has fallen in love with Vathana. Carry Me Home brings the troops back to America—a nation confused and divided by the wars in Southeast Asia. In this poignant epic, Del Vecchio transports a group of soldiers to their final battlefield: the home front. High Meadow Farm, in the fertile hill country of central Pennsylvania, becomes their salvation. In Vietnam they had been brothers in arms. Now, in the face of personal tragedy and bureaucratic deception, they create an even deeper allegiance—one of the spirit and of the land. This is the remarkable story of the veterans’ struggle to find one another and themselves. In its scope, breadth, and brilliance, Carry Me Home is much more than a novel about Vietnam vets; it is a testament to history and hope, to hometowns and homecomings, to love and loss, and to faith and family. It is an inspiring and unforgettable novel about America itself.

In this powerful and poignant epic, Del Vecchio transports the soldiers of the Viet Nam experience to their final battlefield—the home front. High Meadow Farm, in the fertile hill country of central Pennsylvania, would be their salvation. In Viet Nam they had fought side by side, brothers in arms. Now in the face of personal tragedy and bureaucratic deception, they would create a more enduring allegiance, an alliance of the spirit and the soil. Carry Me Home is the remarkable story of their struggle to find each other and themselves, a saga spanning fifteen years—fifteen years lost in a wilderness called America. In its scope, breadth, and brilliance, Carry Me Home is much more than a novel about Viet Nam and Viet Nam veterans. It is a testament to history and hope, to hometowns and homecomings, to love and loss, to faith and family. It is a novel about two decades in our collective lives and the cleansing of our spirit—an inspiring and unforgettable novel about America itself. “In this...final installment of his trilogy about America’s war in Southeast Asia (The 13th Valley; For the Sake of All Living Things), Del Vecchio focuses on veterans who returned home in the late ’60s only to find themselves viewed largely as lepers...the overall purpose of his powerful proletarian art demands such detail to underscore his characters’ pain and, for a few, uplifting recovery.” —Publishers Weekly “Carry Me Home completes a trilogy begun by The 13th Valley, and deals, much like James Jones’ Some Came Running, with veterans trying to adapt to civilian life....in the end they gain a frightening power from Del Vecchio’s accretion of utterly authentic detail. And Wapinski, at least, comes to a hard-earned redemption through the example of one fine old man and a beautiful, communitarian idea.” —Booklist “Arresting, searing and shattering...the most eloquent novel ever to examine the American Viet Nam veteran and his return home to a nation that had failed him.” —International Review

James Webb’s classic, scorching novel of the Vietnam War. They each had their reasons for becoming a Marine. They each had their illusions. Goodrich came fresh from Harvard. Snake got the tattoo before he even got the uniform. Hodges was haunted by the spirits of family heroes. Three young men, from vastly different worlds, were plunged into a white-hot, murderous melting pot of jungle warfare in the An Hoa Basin, Vietnam, 1969. They had no way of knowing what awaited them. For nothing could have prepared them for the madness of what they found. And in the heat and horror of battle they took on new identities, took on each other, and were reborn in fields of fire... Fields of Fire is a searing story of poetic power, razor-sharp observation, and non-stop combat, perfect for fans of Tim O’Brien, Karl Marlantes and Apocalypse Now. Praise for Fields of Fire ‘Few writers since Stephen Crane have portrayed men at war with such a ring of steely truth’ The Houston Post ‘A novel of such fullness and impact, one is tempted to compare it to Norman Mailer’s The Naked and the Dead’ The Oregonian ‘Webb gives us an extraordinary range of acutely observed people, not one a stereotype ... Fields of Fire is a stunner’ Newsweek ‘Webb pulls off the scabs and looks directly, unflinchingly on the open wounds of the Sixties’ Philadelphia Inquirer ‘The unmistakable sound of truth’ Time

From the moment his first novel was published, Larry Heinemann joined the ranks of the great chroniclers of the Vietnam conflict–Philip Caputo, Tim O’Brien, and Gustav Hasford.In the stripped-down, unsullied patois of an ordinary soldier, draftee Philip Dosier tells the story of his war. Straight from high school, too young to vote or buy himself a drink, he enters a world of mud and heat, blood and body counts, ambushes and firefights. It is here that he embarks on the brutal downward path to wisdom that awaits every soldier. In the tradition of Naked and the Dead and The Thin Red Line, Close Quarters is the harrowing story of how a decent kid from Chicago endures an extraordinary trial-- and returns profoundly altered to a world on the threshold of change.

During twelve watershed, soul-shuddering days in an isolated Vietnamese valley near the Loatian border, the men of an American airborne infantry company learn the reality of war and the prices of survival.

*Named one of Wall Street Journal’s Best Books of 2015 *Selected as a Military Times’s Best Book of the Year “You’re going up the Valley.” Black didn’t know its name, but he knew it lay deeper and higher than any other place Americans had ventured. You had to travel through a network of interlinked valleys, past all the other remote American outposts, just to get to its mouth. Everything about the place was myth and rumor, but one fact was clear: There were many valleys in the mountains of Afghanistan, and most were hard places where people died hard deaths. But there was only one Valley. It was the farthest, and the hardest, and the worst. When Black, a deskbound admin officer, is sent up the Valley to investigate a warning shot fired by a near-forgotten platoon, he can only see it as the final bureaucratic insult in a short and unhappy Army career. What he doesn’t know is that his investigation puts at risk the centuries-old arrangements that keep this violent land in fragile balance, and will launch a shattering personal odyssey of obsession and discovery as Black reckons with the platoon’s dark secrets, accumulated over endless hours fighting and dying in defense of an indefensible piece of land. The Valley is a riveting tour de force that changes our understanding of the men who fight our wars and announces John Renehan as one of the great American storytellers of our time.
