A memoir by one of the youngest Holocaust survivors describes his family's forced relocation to the Krakow Ghetto, his endurance of torturous conditions imposed by Amon Goeth and his survival through the intervention of Oskar Schindler. Reprint.

Leon Leyson (born Leib Lezjon) was only ten years old when the Nazis invaded Poland and his family was forced to relocate to the Krakow ghetto. With incredible luck, perseverance and grit, Leyson was able to survive the sadism of the Nazis, including that of the demonic Amon Goeth, commandant of Plaszow, the concentration camp outside Krakow. Ultimately, it was the generosity and cunning of one man, a man named Oskar Schindler, who saved Leon Leyson's life, and the lives of his mother, his father, and two of his four siblings, by adding their names to his list of workers in his factory – a list that became world renowned: Schindler's List. This, the only memoir published by a former Schindler's List child, perfectly captures the innocence of a small boy who goes through the unthinkable. Most notable is the lack of rancour, the lack of venom, and the abundance of dignity in Mr Leyson's telling. The Boy on the Wooden Box is a legacy of hope, a memoir unlike anything you've ever read.

"Much like The Boy In the Striped Pajamas or The Book Thief," this remarkable memoir from Leon Leyson, one of the youngest children to survive the Holocaust on Oskar Schindler's list, "brings to readers a story of bravery and the fight for a chance to live" (VOYA). This, the only memoir published by a former Schindler's list child, perfectly captures the innocence of a small boy who goes through the unthinkable. Traces the story of Holocaust survivor Leon Leyson, who was the youngest child in his family and possibly the youngest of the hundreds of Jews rescued by Oskar Schindler.

Convinced that a boy has been kidnapped and imprisoned in a box, a new arrival in Manhattan tries to convince the police and his neighbors that a crime has in fact been committed but is shocked to discover that they do not believe him, or do not care. Reprint.

The astonishing true story of a girl who survived the Holocaust thanks to Oskar Schindler, of Schindler's List fame. Rena FINDER was only eleven when the Nazis forced her and her family -- along with all the other Jewish families -- into the ghetto in Krakow, Poland. Rena worked as a slave laborer with scarcely any food and watched as friends and family were sent away. Then Rena and her mother ended up working for Oskar Schindler, a German businessman who employed Jewish prisoners in his factory and kept them fed and healthy. But Rena's nightmares were not over. She and her mother were deported to the concentration camp Auschwitz. With great cunning, it was Schindler who set out to help them escape. Here in her own words is Rena's gripping story of survival, perseverance, tragedy, and hope. Including pictures from Rena's personal collection and from the time period, this unforgettable memoir introduces young readers to an astounding and necessary piece of history.

Our story begins in complete darkness with a death and a vanishing. A man mysteriously drowns in the River Seine and two children enter a dingy sideshow but never come out. In the shadowed world of the Obscura, everything that was once light is now dark and nothing is as it seems. The Gaslampers enforce brutal laws and terrorise the city with their wolves. The Calibrators attempt to resist the evil while

they await the return of their hero, the Aigle. And the children desperately search for a way home. But Phillipe and Angeliqne didn't arrive here by accident. The Maire of the Obscura sought them out for a dark purpose. With no way of getting out, the only man who may be able to save them is their father. A simple man whose quiet, gentle ways could not possibly triumph in this dark, violent world. The boy, the girl and the wooden box is the first book in the Obscura trilogy.

When the Nazis invade Czechoslovakia in 1941, twelve-year-old Michael and his family are deported from Prague to the Terezin concentration camp, where his mother's will and ingenuity keep them from being transported to Auschwitz and certain death.

Is the chance to serve as an extra for Hitler's favorite filmmaker a chance at life – or a detour on the path to inevitable extermination? One ordinary afternoon, fifteen-year-old Lilo and her family are suddenly picked up by Hitler's police and imprisoned as part of the "Gypsy plague." Just when it seems certain that they will be headed to a labor camp, Lilo is chosen by filmmaker Leni Riefenstahl to work as a film extra. Life on the film set is a bizarre alternate reality. The surroundings are glamorous, but Lilo and the other extras are barely fed, closely guarded, and kept in a locked barn when not on the movie set. And the beautiful, charming Riefenstahl is always present, answering the slightest provocation with malice, flaunting the power to assign prisoners to life or death. Lilo takes matters into her own hands, effecting an escape and running for her life. In this chilling but ultimately uplifting novel, Kathryn Lasky imagines the lives of the Gypsies who worked as extras for the real Nazi filmmaker Leni Riefenstahl, giving readers a story of survival unlike any other.
