Impeccably researched and clearly organized, this book is the definitive primer on a topic that has captivated esotericists for centuries. Explore the history of Enochian cosmology, the angels and the spirits of the system, the temple setup, and the making and usage of the tools. Learn the secrets of John Dee's classical Enochian system as well as the modern system developed by the Golden Dawn. Practice the rituals of the new and the old...and summon the angels who guard the gates of heaven. Praise: "Aaron Leitch has done a remarkable job of clarifying the Enochian system for the benefit of both beginners and advanced magicians alike. You will not find a better introduction to Enochian magick anywhere."--Chic and Tabatha Cicero, Chief Adepts of the Hermetic Order of the Golden Dawn and co-authors of The Essential Golden Dawn "In the complex and often confusing world of Enochian magick, Aaron Leitch has accomplished the seemingly impossible by bringing clarity and precision while never oversimplifying or speaking down to the reader."--Donald Michael Kraig, author of Modern Magick "An indispensable addition to any Enochian magician's bookshelf."--Frater Yechidah, author of Enochian Magic in Theory

Discovered in a hidden compartment of an old chest long after his death, the secret writings of John Dee, one of the leading scientists and occultists of Elizabethan England, record in minute detail his research into the occult. Dee concealed his treatises on the nature of humankind's contact with angelic realms and languages throughout his life, and they were nearly lost forever. In his brief biography of John Dee, Joseph Peterson calls him a "true Renaissance man"? detailing his work in astronomy, mathematics, navigation, the arts, astrology, and the occult sciences. He was even thought to be the model for Shakespeare's Prospero. All this was preparation for Dee's main achievement: five books, revealed and transcribed between March 1582 and May 1583, bringing to light mysteries and truths that scholars and adepts have been struggling to understand and use ever since. These books detail his system for communicating with the angels, and reveal that the angels were interested in and involved with the exploration and colonization of the New World, and in heralding in a new age or new world order. While Dee's influence was certainly felt in his lifetime, his popularity has grown tremendously since. His system was used and adapted by the Hermetic Order of the Golden Dawn, and subsequently by Aleister Crowley. This new edition of John Dee's Five Books of Mystery is by far the most accessible and complete published to date. Peterson has translated Latin terms and added copious footnotes, putting the instructions and references into context for the modern reader.

The magickal methods and esoteric knowledge of medieval Europe (476 to 1453 C.E.) form the ancestral backbone of modern ceremonial magick. To understand medieval magick, it's necessary to know the primary repositories of this knowledge - the grimoires of spells, incantations, and ritual instructions for working with angels and conjuring spirits. And to understand the grimoires, you must delve into the life and times of the magicians who wrote them. Scholar and magician Aaron Leitch sheds light upon the greatly misunderstood subject of the medieval mage in this comprehensive reference manual. In addition, he provides valuable comparisons among the magical practices described in the grimoires and various shamanic methods of working with the spirit world.

The Angelical language channeled by alchemist Edward Kelley and recorded by royal astrologer John Dee has mystified magicians, linguists, historians, and cryptographers for generations. It's even rumoured that "Angelical" may be an encryption method of some kind, unbroken to this day. This fascinating, in-depth analysis reveals the truth behind the saga of two Renaissance wizards who spoke with angels and received instruction in the Celestial Tongue. Aaron Leitch's long-awaited masterwork reveals in plain language--for the first time ever--how the angelical language was received, for what it was intended, and how to use it properly, providing a lively historical context for the practical application in Volume II.

In 1581, Dr. John Dee, an advisor in the court of Queen Elizabeth I, began a series of experiments intended to explore the ability to contact the spirit world. With Edward Kelley acting as the medium in these experiments, Dee was able to record these communications as they were transmitted in Enochian -- the language of the angels. Donald Laycock has thoroughly analyzed the work of Dee and Kelley. In this volume, he recounts the history of their experiments. The rest of the work consists of a pronunciation guide for the twenty-one letters, significant to untangling both the meaning and the derivation of the messages handed down from Dee and Kelley, and a basic Enochian-English/English-Enochian dictionary. The result is a fascinating linguistic and magical mystery story, integral to any study of the Enochian tradition. Stephen Skinner's lucid Preface sets the tone and historical context for today's readers.

"Presents readers with the Enochian selections from Aleister Crowley's original book Equinox and contains the Enochian Magic of John Dee and Edward Kelley--perhaps the most powerful and elegant of all magical systems. Dee and Kelley's work is one of the most popular magical techniques seized upon by modern magicians"--

Download Free The Essential Enochian Grimoire An Introduction To Angel Magick From Dr John Dee To The Golden Dawn

Based on the transcriptions of Dr. John Dee, the famous Elizabethan scientist and magus, The Enochian Evocation of Dr. John Dee is the translation of the original material received from direct Angelic contact. In 1852 Dee and his partner Edward Kelly, while gazing into a crystal stone, began to see and hear angels. These beings desired to re-establish the true art of magic, which had been lost due to man's wickedness and ignorance. The true magical art, these beings claimed, would bestow superhuman powers upon its practitioners, change the political structure of Europe, and herald the coming of the Apocalypse. Dee believed this research would greatly benefit mankind and documented all of the channeled information into a series of manuscripts and workbooks. Author Geoffrey James presents here the direct translation of the core of the channeled material itself, framed in a historical context, with authority and integrity.

Get more from Enochian magick than ever before. Advanced Enochian Magick will take the reader into new territory with all new methods of angelic evocation and other magical ceremonies. Learn how to call up four angels at a time to enhance personal power. Evoke the entire elemental hierarchy using simple, straightforward methods. Find detailed correspondences of the elements, planets, and signs, along with exact instructions on how to use them to call up any kind of magick power.

A practical guide to Dr. John Dee's angelic magic • Contains instructions for performing Enochian magic meditations • Examines John Dee's original diaries from the British Library Enochian magic is a powerful, ancient system for opening portals to heavenly realms and enabling the ascent to God. The basis for many of the modern systems of magic, including the Golden Dawn, Enochian magic is named after the biblical prophet Enoch, who received the same knowledge and wisdom that was later conveyed to the astrologer to the court of Queen Elizabeth I, Dr. John Dee, by angels in the 16th century. In The Lost Art of Enochian Magic John DeSalvo traces the history of magic--from the earliest civilizations of the Akadians and Egyptians through the Greco-Roman period and up to the present time--to reveal how magic has penetrated and influenced our religious beliefs and practices today. Through his unprecedented investigation into the angelic magic of Dr. John Dee, during which time he deciphered Dee's original phonetic notations in the margins of Dee's 16th-century diaries, DeSalvo learned to properly reproduce the "Enochian calls," which act like mantras in opening higher realms and invoking angels, key to this type of magical practice. DeSalvo shows how to use Enochian magic for personal spiritual development and also as protection from negative energies.
