The text of "The Little Refugee" is factual, yet still emotive as Do describes his childhood flight from danger in Vietnam, a perilous journey by boat, and his settlement in Australia. The familiar story of hardworking migrants who want the best for their children is to Anh Do's "The Little refugee" is a wonderful picture based around Anh's true story.

The Little Refugee by Anh Do - Goodreads

About the Author. ANH DO's unique and inspirational experience leaving Vietnam as a toddler and growing up in Australia is the subject of his bestselling and award-winning memoir, *The Happiest Refugee* (sales of 120,000 copies since publication in September 2010). Anh and his wife, SUZANNE DO, have written *The Little Refugee* in response to the vast numbers of people who have read *The Happiest Refugee* and pleaded for a version for children.

The Little Refugee: Amazon.co.uk: Anh Do, Suzanne Do ...

Anh Do was a refugee who, with his parents and extended family, fled war-torn Vietnam and settled in Australia. This book is an account of his early life, the harshness of war and the dreadfulness of the boat journey. Whatley's gorgeous illustrations show us these long-ago memories in sepia. As we move closer to the present, he introduces a more colourful palette.

The Little Refugee - Just Imagine

Illustrated by Bruce Whatley. *The Little Refugee* is a warm and refreshing exploration of migrant experiences. It is also a testimony to hope, hard work and resilience. It speaks to those who are uncertain about the journey that they have embarked upon, to leave one country and settle in another.

The Little Refugee - F.R.R.E.E

This book features Anh Do as an adult. Compare the happy face of Anh Do on *The Happiest Refugee* with the boy who is on the cover of *The Littlest Refugee*. Explain that Anh Do and Suzanne Do (his wife) are the authors of this book, which was written about his experience of coming to Australia. Read *The Little Refugee* to the class. Some students might know of Anh Do's other profiles, such as a painter, comedian and television personality.

Anh Do's inspirational story about his family's incredible escape from war-torn Vietnam and his childhood in Australia, told especially for children.

The story of one Vietnamese family's survival against the odds, and the healing power of hope.

Anh Do nearly didn't make it to Australia. His entire family came close to losing their lives as they escaped from war-torn Vietnam in an overcrowded boat. It was a dangerous journey, with murderous pirates and terrifying storms, but they managed to survive. Life in suburban Australia was also hard for a small boy with no English and funny lunches. But there was a loving extended family, lots of friends, and always something to laugh about for Anh, his brother Khoa and their sister Tram. And eventually for a young Anh, who tried hard to see the bright side of life no matter what the difficulty, there was triumph. The Little Refugee tells the uplifting and inspiring story of the incredible childhood of one of Australia's favourite personalities.

This book is published by Floricanto Press. Ana-which spelled backwards is "Ana," by the way-doesn't know what a refugee is but she does miss her home in Venezuela where she had friends, and loved eating arepas! Join her on her journey to make new ones-arepas and friends in America. This is a fun and heartfelt story. Jon Clark, the author and illustrator, met a Venezuelan refugee family and was inspired to write and illustrate this profoundly sincere story of a little girl caught between her roots and awakening to the new, welcoming, and friendly place in America. Jon does not dwell in the fears and

Read Book The Little Refugee

preoccupations of a young newcomer but rather in an uplifting hope for her future in America. This book deeply touches the heart and soul what has meant "coming to America." www.LatinoBook.Net

Anh Do nearly didn't make it to Australia. His entire family came close to losing their lives on the sea as they escaped from war-torn Vietnam in an overcrowded boat. But nothing - not murderous pirates, nor the imminent threat of death by hunger, disease or dehydration as they drifted for days - could quench their desire to make a better life in the country they had dreamed about. Life in Australia was hard, an endless succession of back-breaking work, crowded rooms, ruthless landlords and make-do everything. But there was a loving extended family, and always friends and play and something to laugh about for Anh, his brother Khoa and their sister Tram. Things got harder when their father left home when Anh was only nine - they felt his loss very deeply and their mother struggled to support the family on her own. His mother's sacrifice was an inspiration to Anh and he worked hard during his teenage years to help her make ends meet, also managing to graduate high school and then university. Another inspiration was the comedian Anh met when he was about to sign on for a 60-hour a week corporate job. Anh asked how many hours he worked. 'Four, ' the answer came back, and that was it. He was going to be a comedian! The Happiest Refugee tells the incredible, uplifting and inspiring life story of one of our favourite personalities. Tragedy, humour, heartache and unswerving determination - a big life with big dreams. Anh's story will move and amuse all who read it

A tour de force from acclaimed author Alan Gratz (Prisoner B-3087), this timely -- and timeless -- novel tells the powerful story of three different children seeking refuge.

Since the start of the conflict in Syria in 2011, Syrian refugee children have withstood violence, uncertainty, fear, trauma and loss. This book follows their journeys by bringing together scholars and practitioners to reflect on how to make their situation better and to get this knowledge to as many front liners - across European and neighbouring countries in the Middle East - as possible. The book is premised on the underlying conception of refugee children as not merely a vulnerable contingent of the displaced Syrian population, but one that possesses a certain agency for change and progress. In this vein, the various contributions aim to not just de-securitize the 'conversation' on migration that frequently centres on the presumed insecurity that refugees personify. They also de-securitize the figure and image of the refugee. Through the stories of the youngest and most vulnerable, they demonstrate that refugee children are not mere opaque figures on who we project our insecurities. Instead, they embody potentials and opportunities for progress that we need to nurture, as young refugees find themselves compelled to both negotiate the practical realities of a life in exile, and situate themselves in changing and unfamiliar sociocultural contexts. Drawing on extensive field research, this edited volume points in the direction of a new rights based framework which will safeguard the future of these children and their well-being. Offering a comparative lens between approaches to tackling refugees in the Middle East and Europe, this book will appeal to students and scholars of refugees and migration studies, human rights, as well as anyone with an interest in the Middle East or Europe.

A young refugee crosses continents in this timely, heartbreaking, and ultimately uplifting novel of survival. Shif has a happy life, unfamiliar with the horrors of his country's regime. He is one of the smartest boys in school, and feels safe and loved in the home he shares with his mother and little sister, right next door to his best friend. But the day that soldiers arrive at his door, Shif knows that he will never be safe again--his only choice is to run. Facing both unthinkable cruelty and boundless kindness, Shif bravely makes his way towards a future he can barely imagine. Based on real experiences and written in spare, powerful prose, this gripping debut illustrates the realities faced by countless young refugees across the world today. Refugee 87 is a story of friendship, kindness, hardship, survival, and -- above all -- hope.

An accessible picture book that oh-so-simply and graphically introduces the term "refugee" to curious young children to help them better understand the world in which they live. Who are refugees? Why are they called that word? Why do they need to leave their country? Why are they sometimes not welcome in their new country? In this relevant picture book for the youngest children, author-illustrator Elise Gravel explores what it means to be a refugee in bold, graphic illustrations and spare text. This is the perfect tool to introduce an important and timely topic to children.

In 1944 a vacant army base in upstate New York became the temporary home of over 900 men, women and children who had fled Europe towards the end of World War II. With little more than the clothing on their backs, Rebekkah and her mother are just two of the many refugees who come to live in the camp. Adjusting to a strange new world and a new language, Rebekkah puts aside her own fears to try and recreate tiny bits of home for her mother. A fictional story based on the real-life experiences of surviving refugees, Rebekkah's Journey shares the illuminating story of one refugee's arrival on America's shores.
