The World Without Us reveals how, just days after humans disappear, floods in New York ' s subways would start eroding the city ' s foundations, and how, as the world ' s cities crumble, asphalt jungles would give way to real ones. It describes the distinct ways that organic and chemically treated farms would revert to wild, how billions more birds would flourish, and how cockroaches in unheated cities would perish without us.

**The World Without Us by Alan Weisman: Summary and reviews**

The World Without Us is a 2007 non-fiction book about what would happen to the natural and built environment if humans suddenly disappeared, written by American journalist Alan Weisman and published by St. Martin's Thomas Dunne Books. It is a book-length expansion of Weisman's own February 2005 Discover article "Earth Without People". Written largely as a thought experiment, it outlines, for example, how cities and houses would deteriorate, how long man-made artifacts would last, and how remaini

The World Without Us begins exactly as you might imagine, with a detailed account of how the most visible of humanity ' s imprints upon the world will degrade and return to nature over time. Alan Weisman vividly depicts a world where steel rebar in reinforced concrete rusts and beams crumble, wood decays, glass shatters, and skyscrapers topple.

**The World Without Us | Alan Weisman | Macmillan**

It's hard to imagine the world without us. New York City will literally go down the drain during the first rainfall after we're gone. The subways hold nearly 13 million gallons of water daily, and they have special dams that people have to monitor every time it rains or else the subways will flood.

**Chapter Summaries - The World Without Us**

Alan Weisman is worried about our future too. With the help of his thought experiment in The World Without Us, we can draw some important conclusions on how our behavior must change for us to have one. What would happen to animals, plants and all of our man-made creations if all human being disappeared over night? A whole bunch of things.

**The World Without Us Summary - Four Minute Books**
