The Toyota Corolla Verso is a compact MPV first released by Toyota in January 1997, until production of the third generation ceased in March 2009 and production of its replacement, the Verso, began. Although the design of the car is based on the Verso's namesake, the Corolla, the Verso does not share a platform with the Corolla, instead being built on a separate unique platform. In Japan, it was exclusive to Toyota Corolla Store dealerships.

More about Toyota Corolla Verso.  
First released in 1997, the Toyota  
Corolla Verso was a five-door MPV  
estate that ceased production in  
2009, also known as the Spacio in  
Europe. The later generation  
should not to be confused with  
the Toyota Verso, which was not  
built on the Corolla platform but  
rather its own independent  
chassis design.
