The second book Demons in the Devil's Reach series has been long awaited book and it was so worth the wait. I'm not even sure I can come up with the right words to describe how much I loved this book. A dark, gritty, roller coaster ride of a story. The twists, turns and overall breath taking storytelling in this book is second to none.

DEVIL'S GAME is the first comprehensive account of America's misguided efforts, stretching across decades, to dominate the strategically vital Middle East by courting and cultivating Islamic fundamentalism. Drawing on extensive archival research and interviews with dozens of policy makers and CIA, Pentagon and foreign service officials, Dreyfuss follows the trail of American collusion from support for the Muslim Brotherhood in 1950s Egypt, to links with Khomeini and Afghani jihadists, to longstanding ties between radical Islamists and leading Western banks.

In the stunning conclusion to the Undertaken trilogy that Publishers Weekly called "a thought-provoking gothic fantasy," Silas must master his powers and confront a past that is anything but dead. Silas Umber has returned from Arvale, his family's ancestral home. Frantic to retrieve the shade of his beloved Beatrice, he turns his back on the spectral chaos he has left behind, unaware that the malevolence he unleashed has followed him back to Lichport. As his family and friends suffer and fall at the hands of the vengeful Huntsman from Arvale's sunken mansions, Silas must reach deep into his complicated bloodline to summon powers and wisdom beyond those required of a simple Lichport Undertaker. But the dark and painful secrets of his birth threaten to overwhelm him, and if he can't lay the ghosts of his own past to rest, Silas may lose everything and everyone he has grown to love and worked to protect.

The Guardians of Eternity are vampire warriors without equal, bound by their loyalties and sworn to protect their charges from every danger. . .except those posed by their own hungry desires. . . A scarred recluse, Jagr makes no secret of his disdain for others' company. But now, as a member of Chicago's powerful vampire clan, he has certain obligations to fulfill. The latest: track down a missing were pureblood and return her to her sister. The problem: Regan Garrett has no intention of complying. And though Jagr agreed not to harm an inch of this stubborn female's distractingly tempting body, he'll gladly kiss her into submission, awakening an urge he hasn't felt in years. Hell, in centuries. . . Regan vowed never to be at the mercy of another man. That goes double for arrogant, steel-muscled vampires with eyes of ice. All Regan wants is revenge against those who imprisoned her. She doesn't need an ally. She certainly doesn't need a mate. But soon Regan will have to choose--between a lust for vengeance, and a passion as dark and dangerous as the night. . . Praise for Alexandra Ivy and Darkness Revealed "A darkly erotic adventure with a vampire hero who can bite me anytime!" --Angela Knight, New York Times bestselling author

The Complete Broken Trilogy, available now in one collection. BROKEN #1 My name is Savannah Miller. My father is the mayor of New York. One day after my twenty-seventh birthday I was grabbed from behind. A cloth sack was quickly pulled over my head, and I was taken from everything I'd ever known. I was beaten, starved, treated like an animal, and forced to live in a room with no windows. With no sense of time and no dignity left I finally gave up hope and made a promise to myself to end it all. Unfortunately, it was going to be a slow process. Then one night an elite group of US Army soldiers came to my rescue. I was brought to a safe house and given two options: One-Stay under their protection and follow their rules or... Two-Leave and be guaranteed to be returned to the savages within a week. I chose option one. As I work with a therapist and begin processing my hellish ordeal things slowly begin to surface. With the help of new friends and a potential new love I fight to get my life back and make choices that will forever alter my future. This is my story... SHATTERED #2 After experiencing unimaginable heartbreak, Savannah wants to end it all. Then she is given a second chance at love. Sadly, even when life hands you second chances it doesn't always follow that things will work out the way you want them to. Some lies can just be too painful to move on from. What's worse than being Broken? Being shattered... MENDED #3 Savannah takes control... Tired of all the lies and deception, Savannah Miller must learn to face life on her own. As she seeks to find out who she really is, she still is still burdened with the fallout from past traumas that left her broken. Her fragile hold on her new life slowly gives her the confidence to move ahead. What she really needs is right in front of her-Cole Logan is patiently waiting for the right moment to prove his love. But her past isn't finished with her yet...

Soldiers. Unstoppable. Fearless. Protectors. The men of Blackstone will stop at nothing to keep their loved ones safe... HONOR, Book 1I fell to my knees. Normally, I could block out the pain, but not this time. Something wasn't right...The next thing I knew, I found myself in a North Dakota hospital where things took an unexpected turn. Mia Harper was the new nurse who seemed to know more about me than she should. Yet I couldn't help but flirt with her. She was witty, playful, and her beauty was unmatched. I couldn't get enough. Just when I thought things were looking up, someone returned from my past and flipped my world around.ESCAPE, Book 2Ten years ago, I made the best and worst decision of my life. I joined the Army and left the love of life behind...Lexi. When I returned home years later, I was told she was dating the leader of a local gang, Almas Perdidas, and that she wanted nothing to do with me.After Lexi got a beating for not following the rules, I tried to remind her of what we once had, who we once were together. But she refused to listen. Little did I know she was carrying a secret of her own that would end in bloodshed.FREEDOM, Book 3Deep in the belly of Mexico, my team and I were on the hunt. One of the cartel's mules flipped and wanted a ticket to freedom. The information they held could be our game-changer. Returning home to a civilian lifestyle was always an adjustment, even if it was temporary. However, a chance encounter with Catalina Mandas made that transition a little bit easier. She completely captivated me. But Catalina warned me that we could never be together, that her past and mine could never coexist. Secrets were standing in our way, but I wasn't willing to let her go that easily.Back on a mission, and possibly one of the

Rain pelted my face as I pushed through the roar of the storm. Deep in the belly of Mexico, my team and I were on the hunt. One of the cartel's mules flipped and wanted a ticket to freedom. The information they held could be our game-changer. Returning home to a civilian lifestyle was always an adjustment, even if it was temporary. However, a chance encounter with Catalina Mandas made that transition a little bit easier. She was sweet, sexy, feisty, and saw me for who I was. She completely captivated me. But Catalina warned me that we could never be together, that her past and mine could never coexist. Secrets were standing in our way, but I wasn't willing to let her go that easily. Back on a mission, and possibly one of the biggest rescues Blackstone has ever pulled off, I collided with one of my biggest nightmares. And now, two things will be tested... Trust and freedom.

An entertaining and informative voyage through cultural fantasies of the North, from sea monsters and a mountain-sized magnet to racist mythmaking. Scholars and laymen alike have long projected their fantasies onto the great expanse of the global North, whether it be as a frozen no-man's-land, an icy realm of marauding Vikings, or an unspoiled cradle of prehistoric human life. Bernd Brunner reconstructs the encounters of adventurers, colonists, and indigenous communities that led to the creation of a northern "cabinet of wonders" and imbued Scandinavia, Iceland, and the Arctic with a perennial mystique. Like the mythological sagas that inspired everyone from Wagner to Tolkien, *Extreme North* explores both the dramatic vistas of the Scandinavian fjords and the murky depths of a Western psyche obsessed with Nordic whiteness. In concise but thoroughly researched chapters, Brunner highlights the cultural and political fictions at play from the first "discoveries" of northern landscapes and stories, to the eugenicist elevation of the "Nordic" phenotype (which in turn influenced America's limits on immigration), to the idealization of Scandinavian social democracy as a post-racial utopia. Brunner traces how crackpot Nazi philosophies that tied the "Aryan race" to the upper latitudes have influenced modern pseudoscientific fantasies of racial and cultural superiority the world over. The North, Brunner argues, was as much invented as discovered. Full of glittering details embedded in vivid storytelling, *Extreme North* is a fascinating romp through both actual encounters and popular imaginings, and a disturbing reminder of the power of fantasy to shape the world we live in.
